

CERTIFICATE CONSTRUCTION PRODUCT

04 - RERCACPC - 01355

In compliance the part three of the Regulation on the Essential Requirements to Constructions and Assessment of Construction Products Conformity (RERCACPC), it has been stated that the construction product

REINFORCING STEEL B 500 B

hot rolled, ribbed, with diameters of bars 10, 12, 14, 16, 20, 25, 28 and 32 mm

designed for reinforcement of concrete

placed on the market by

Celsa "Huta Ostrowiec" Sp.z.o.o., Poland
town of Ostrowiec Świętokrzyski 27-400, 2 Samsonowicza Str.
and produced by

Celsa "Huta Ostrowiec" Sp.z.o.o., Poland
town of Ostrowiec Świętokrzyski 27-400, 2 Samsonowicza Str.

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan.

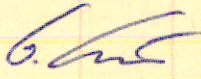

The conformity assessment body OTC has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control, and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances of the standard

EN 10080:2005 and BDS 9252:2007

are applied and that the product fulfils all the prescribed requirements.

This Certificate was first issued on 15.12.2005 and remains valid as long as the conditions laid down in the technical specifications in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
