Certificate

Steel for the reinforcement of concrete B500C: coils

PRODUCT SPECIFICATION

General

Steel for the reinforcement of concrete B500C (coils) are in accordance with the requirements of chapter 4 of guideline BRL 0501 and with that of NEN 6008.

The products are meant to be used in constructions of concrete.

Further specification

Classification : B 500C
 Production method : Hot rolled/water cooled
 Nominal size : 10 – 12 – 14 and 16 mm
 Delivery condition : coils (compact spooled)

The quality mark B500C fulfills the requirements of the old quality mark FeB500 HWL/FeB 500HK

Marking

The products are marked with a label with upon it at least on a clear and indelible way:

- the KOMO[®]-logo and the certificate number, figure 1;
- the classification B500C;
- the diameter;
- the rolling mark;
- heatnumber/castnumber/coilnumber;
- name of the certificate holder;
- BRL 0501.

Place of the label: at least one label per coil.

Steel for the reinforcement of concrete is marked on the following way:

On two rib rows by thickened ribs, with the code (1 - 17), figure 2.

Place of the mark: on a mutual distance of ± 1 meter. The position of the transverse ribs may also be in reverse.

Figure 1

(1 - 17) Figure 2

RECOMMENDATIONS FOR USERS

Check at the time of delivery whether:

- the producer has delivered in conformity with the agreement;
- the mark and marking method are correct;
- the products do not show any visible defects due to transport.

If you should reject a product on the basis of the above, please contact:

- Celsa Huta Ostrowiec Sp. Z.o.o.

and if necessary:

- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods, NEN 6722 and/or NEN-EN 13670.

CONSTRUCTION PRODUCTS REGULATIONS

If a construction product is subject to a European harmonised technical specification, the statements in this KOMO product certificate must not be used as a replacement for the CE marking on such construction product and/or for the associated obligatory Declaration of Performance.
